Professional Summary

Junior Full Stack Software Developer with a Diploma in Full Stack Software Development (E-commerce Applications, Merit). Skilled in building and maintaining digital services with strong foundations in Agile delivery, user-centred design, and accessibility (WCAG). Experienced in developing end-to-end web applications, from front-end design to database integration and deployment. Bringing transferable skills from finance, admin, and support roles—problem-solving, stakeholder communication, and teamwork. Seeking to contribute technical skills and a collaborative mindset to a dynamic development team.

Technical Skills

- Languages & Frameworks: JavaScript (React, Vue), Python, C#, Java (fundamentals), .NET Core, HTML5, CSS3, Bootstrap
- Databases: SQL, PostgreSQL, MySQL
- Tools & Platforms: Git/GitHub, Azure DevOps, Docker, Kubernetes (AKS basics), Liferay DXP (awareness), CI/CD pipelines
- Practices: Agile Scrum, Test-Driven Development (TDD with JUnit/Jasmine), Accessibility (WCAG compliance), SEO, User-Centred Design
- Other: Stripe integration, MailChimp newsletters, REST APIs, Agile project tracking with GitHub Projects

Education

Diploma in Full Stack Software Development (E-commerce Applications) – Code Institute

Awarded Merit in all portfolio projects

Portfolio Projects (Merit Grades)

- SkinO'clock_ng – Full B2C e-commerce skincare site with product management, Stripe payments, reviews, CRUD functionality, custom 404 page, SEO.
- Art & Literature Quiz App – JavaScript-based quiz app with results tracking, agile backlog, and returning-user feature.
- Recipe Book App – Django-based CRUD recipe manager with meal planning and Bootstrap styling.
- Organic Food Website – Responsive front-end with iframe integration, contact forms, and accessible design.

Professional Experience

Support Worker – FitzRoy, Nottingham | Jul 2024 – Present

- Supported service users with daily living tasks and encouraged independence (budgeting, travel, skill-building).
- Advocated for safeguarding, dignity, and user choice while maintaining accurate records.
- Collaborated with multidisciplinary teams, demonstrating strong communication and problem-solving.

Account Officer / Merchandiser – Maxcare Pharmacy, Abuja | Nov 2021 – Oct 2022

- Managed correspondence, reconciliations, and clerical support.
- Organised data and processes to improve accuracy and efficiency.

Customer Service Representative – Clean Speckle, Abuja | Nov 2020 – Aug 2021

- Delivered excellent service by handling enquiries and resolving issues effectively.

Secretary – Kennis Global Ventures, Lagos | Apr 2019 – Feb 2020

- Managed office scheduling, filing, and documentation with strong attention to detail.
